

TNB Reopens with Limited Lobby Capacity

In following the CDC Guidelines, TNB will reopen with 50% Lobby Capacity as follows:

1. We have determined our capacity to safely serve customers with teller services will allow up to 6 customers in the lobby area at a time.
2. Anyone with fever or illness should not come in to the bank. Please call us and we will assist you with your banking needs.

With our limited lobby capacity, we encourage customers to use our Drive-Thru, Telephone Customer Service, Online & Mobile Banking and our Telephone Banking services (229-226-1TNB).

Our Personal Bankers are available, however with limited capacity we may have to ask you to wait outside if they are helping another customer. If you have a special need, please call us first as we may be able to help without you coming to the bank.
